DEAR FAMILY,

LETTER OF APPRECIATION - YIBIMA ORPHANAGE CONCERT 2026

The board and management of **El Manuel Foundation** write with a heart full of gratitude to say thank you.

We may not be able to mention all of you one by one but heaven has recorded your names.

Thank you for using your platforms, your data, your voice, pages, your handles, and your influence to push the vision of the **Yibima orphanage Concert 2026**. From Takoradi to Cape Coast, from Tarkwa to Kasoa, from Elmina to Agona your post flyers, reels, stories, Tiktoks, tweets, and status updates travelled.

Because you posted, someone saw. Because you shared, someone came. Because you promoted, an orphan smiled.

You did not collect money from us, yet you gave us publicity worth thousands. You turned your social media into a pulpit for the orphans. You proved that influence is not just trends. But for impact.

The foundation and the children of the **Angels of hope children's home** are deeply grateful. Your labor of love in the Western and Central Regions gave this concert a national touch.

May God himself blow your platforms, May your followers grow, May your engagements increase
May brands locate you. May the same grace that lifted us from hunger to harvest locate you.

You are now part of the **EL MANUEL FOUNDATION YIBIMA** Family, We look forward to greater things in 2027.

We love and appreciate you

Yours with Gratitude
